Thoughts of Christmas

THE MOST JOYOUS TIME OF ALL THE YEAR

From the awakening in the morning of the baby, and beginning to talk to the gleeful boys and girls of school age, on and on in merryland and wonderland, all recognize yuletide good cheer and joy in the festivities. We have Out-Generated All Efforts Heretofore Made and this year's master effort will happily surprise everyone who investigates. Those who have patronized us in the past may wonder, knowing of our previous worthy exhibit and phenomenal selling, but we promise that we will furnish the Holiday terms of interest to us, which we will not turn toward this store.

Suspender Anatomy.

Suppose that instead of being provided with a frictionless, ball and socket joint, your arms had to stretch a muscle or ligament every time you moved them. You would be tired out long before bed time.

Now consider—if you wear the ordinary suspenders you must "stretch rubber" every time you move—it's tiresome.

SHIRLEY PRESIDENT SUSPENDERS

are made with a sliding cord that moves through frictionless tubes, just as your body moves, and as freely; it imitates nature's provision for freedom of motion—it gives comfort to your body and durability to the suspenders. Doesn't this appeal to you as being a sensible reason for wearing the Shirley President Suspenders?

Light, Medium and Heavy Weights. Extra lengths for tall men. Sold by all dealers or by mail direct, 50 cents.
